Examiner: R. Niebauer

For: Antimicrobial Peptides

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on December 9, 2005 as a national phase application of PCT/DK2004/000399. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2003 00865 and PA 2003 00924 filed on June 11, 2003 and June 20, 2003, respectively, and U.S. provisional application no. 60/483,254 filed on June 27, 2003.

The filing receipt received by Applicants omits the U.S. provisional application in the domestic priority data.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic and foreign priority data and a complete power of attorney section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: October 2, 2008
